

## O Belmontas (Regional Park of Pavilnis, Southern Part)

## II. Variations for return

<http://www.bicycle.lt/repository/Dvir/vilnius/NojoBelmontas.png>

12-20 km Distance  
all together

Cross the river Vilnele  
**Possible:** Cycle the path to the steep wall of Puckoriai. The other side is strongly uphill!!!  
**Possible:** Go straight to Batoro street, turn left and return to Olandu street traffic roundabout, half of it there is a separate bicycle path.

After the bridge turn right.  
 Climb the forest path to the railways.  
 Turn right before the railways and follow the Tuputiskiu road.

### Variations

a) **cross the railways at Pavilnis train station**  
 climb the only serpentine road in Lithuania  
 Turn left go to the "Young Nature Camp" with a small zoo  
**Difference in altitude over 100m!**  
**Distance 4,7 km**

**Be aware due to the traffic on the road to the "Young nature camp"**  
 b) Go straight, turn right into the Pavilnis street, pass the Pushkin museum on the left, go Markuciu str., Subaciaus and drop downhill on Maironio which will take you back to the cathedral. **Distance from Belmontas: 6,6 km**

<b>Centre</b>
Start at the Cathedral
Cross Sereikiskiu Park towards the direction of Uzupis and follow the river Vilnele upstream to the Second bridge.
There go on the street (not crossing the river) and turn left into Aukstaiciu street, 1 <sup>st</sup> left, as well along the river
follow the river. At the crossroad with the Kranto str. Turn left on the bad quality road along the river.
Pass the bridge under Olandu str., come back to Paplaujos str.
<b>At Paplaujos/Pakrascio street turn left, and follow the road straight to it's end. Turn left at the wooden house.</b>
find the small path via the big stone ... to the small bridge over river Vilnele
Cross the bridge
turn right into Belmonto street
<b>Be careful due to the traffic on Belmonto str.!!!</b>
Go to the end to the "Entertainment park of Belmont Watermill"

This route description is a working version of the future „bicycle map for Vilnius city and region”. (appears in Winter 2008/2009)
